

## Walking Wilds and Wild Berserk Feature

Vikings Creed is a feature packed slot with a maximum win of 5000 times bet. The Viking symbol is a **Walking Wild** substituting for all symbols except Scatters and awards a **2x win multiplier**. Wilds can appear on any reel triggering a **Free Re-Spin** during which it moves one position to the left. Additional re-spins are awarded until the last Wild reach the left-most reel. Adding to the excitement in the base game is the **“Wild Berserk”** feature which randomly place 3-5 **Walking Wilds** on the reels.

Three+ scattered Crow-symbols award **6 Free Spins** with **Expanding Walking Wilds**. By covering all three reel positions the Free Spin bonus holds massive win potential.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; “Burst Mode” and “Fast Track”. Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
