

Can you pull off 'The Big Hit'?

The Big Hit will be Slotmills to date most volatile videoslot with a max win of 20 000 x bet! As the title suggests, the setting is a bank heist and just like the real world its about staying away from being caught as long as possible. The game has a 5x4 symbol grid, 40 betlines and three bonus features which all award unlimited re-spins with wilds and multipliers. The longer you can keep the bonus game running, the higher the multipliers, the more wilds and the more win potential at the end.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; "Burst Mode" and "Fast Track". Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
