

There's a Gem Rush going on! Have you got your shovel?

Gem Rush is an avalanche Video Slot set in an old gold mine. The 5x7 symbol grid can give up to 16,807 bet ways and the game has a maximum win of 10,000 times bet. The base game starts with up to 15 stone blocks at the bottom of the grid which can be crushed by the dynamite feature making space for more paying symbols. The progressive Win Multiplier combined with six different Power-Ups features that are triggered randomly increase the excitement and chances to win.

Free Spins are triggered by 3+ bonus symbols and are played with the full symbol grid and 16,807 bet ways. The progressive Win Multiplier does not reset between game rounds during Free Spins which combined with a full stack of Power-Ups result in a crazy win potential.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; "Burst Mode" and "Fast Track". Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
