The three Chilli Wilds – present on reels 2, 3 and 4 – all have different character features and landing more than one can generate very spicy wins. The Wilds are nudging and expand to full stack wilds if the land on part of a reel.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; "Burst Mode" and "Fast Track". Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
