

## Raccoon Rampage: Cash Pandas Unleashed

Cash Pandas is an Avalanche cluster game with a 7x7 symbol grid set in a New-York back-street alley where the raccoons or “Cash Pandas” are going nuts in their search for riches. The base game features both Wilds, Giant Symbols and power-ups, whilst the bonus game adds Giant Wilds and an un-capped win multiplier that spices things up considerably. RTP of the game is 96,16% and maximum win is 10,000 times your bet.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; “Burst Mode” and “Fast Track”. Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
