

## Double the Fun: Introducing Money Jar 2!

Get ready to dive back into the enchanting world of Money Jar with our highly anticipated follow-up, Money Jar 2. Inspired by the iconic 1930's "Betty Boop" comic style, this game takes everything you loved about the original and amplifies it to new heights.

Featuring two exciting bonus games and the chance to trigger the Super mode bonus, Money Jar 2 offers an enhanced gaming experience. The Extra Win Feature and Respin Feature are back, but this time, Payers, Magnets & Dealers can land, extending the Respin feature and creating massive potential for wins.

The heart of the game remains the coveted Money Jar symbol, triggering the bonus game where you'll get to choose which Bonus game you want to play. With a maximum win of 25,000 times your bet, the potential for huge rewards awaits!

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement enhancing features; "Burst Mode" and "Fast Track". Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
