

Join the hunt for hidden treasures!

Travel deep into the jungle with Lucy Luck in search for hidden treasures and the Crimson Diamond! This action-packed adventure slot features avalanche wins in a quest to uncover chests containing coins and jewels with sought after win multipliers. The explosive bonus symbol helps clear the grounds in search for riches and triggers avalanches with more win opportunities. Finding the famous Crimson Diamond can take you directly to the max win of 10 000 times your bet!

The free spins bonus game increases the chance of striking it big as cleared grounds are not reset between rounds, and all wins are multiplied with the persistent and increasing win multiplier. Super free spins up the game even further, where only the largest treasures await.

In response to changing player preferences when it comes to gameplay, the Slotmill games have two integrated excitement-enhancing features; "Burst Mode" and "Fast Track". Burst Mode is an enhanced auto-play with a play-through of two game rounds per second, and Fast Track offers players the option to get directly into the bonus features of the games. Both Burst Mode and Fast Track have proven immensely popular among players.
